**ROUTT CATHOLIC HIGH SCHOOL
DIRECTORY OF SERVICE OPPORTUNITIES
FOR STUDENTS**

Routt Catholic High School Service Program

Understanding our Baptismal call to Social Justice, service at Routt Catholic High School is understood as faith in action (James 2:14-17). Our school-wide Christian Service program is based on the mission of Routt Catholic High School to give freely the gifts that have been given to us. In the spirit of the Gospel values, we take a step toward becoming more aware of the importance of Christian Service as an integral part of our lived faith. Students are encouraged to look for Jesus in all those in need (Matthew 25:31-46).

Students attending RCHS are required to serve 15 hours of volunteer service, as part of their graduation requirement. At least ten hours must be applied to community service, and five hours may be applied to school or church related activities. Service hours must be accrued outside of class time. Service hours *must* be approved by the theology teachers, guidance counselor, or the principal. Service hours will be reported to parents/guardians quarterly on the report card. Individuals not completing this requirement will not receive end-of-the-year report cards, transcripts, or graduate until completed. Service hours are coordinated by the theology department chair. Below are the due dates that documented service hours must be turned in:

September 15 – All **summer** service hours must be turned in; will not be counted after this date.

April 1st – 30+ hours to be eligible to receive American Citizenship Award

April 20 – Senior class service hours due in order to go on Senior Class Trip

May * - All service hours due in order to graduate or be promoted to next year.

*(last day, before final exams begin)
