GREETINGS FROM QUINCY UNIVERSITY!

The Admissions Office wanted to be sure and update you and your students on the many wonderful things happening on our campus. Please note that QU offers an outstanding education with professors who care about their students and small classes where it is easy to learn. Our school has approximately 1,200 students, enabling them to live and work in a comfortable, welcoming environment. QU offers 40+ majors including Nursing, Sign Language Interpretation, Aviation, Criminal Justice, and much more. In addition, the QU campus has many hands-on learning opportunities featuring a cadaver lab for Pre-Med majors, a Hi-Def TV Studio for the Communication department, and a mock trial courtroom for Pre-Law students. Our students have the one-on-one attention at QU that allows them to succeed!

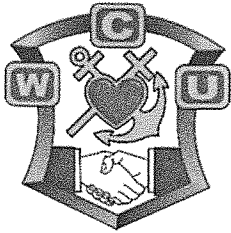

QU offers **many scholarship opportunities** - the most impressive being our automatic merit-based scholarships that range between \$7,500 - \$25,000. Please hang the poster we have included in your Guidance Office so prospective students can easily see how much they could earn at QU. Additional scholarships include the Franciscan Service Scholarship and Western Catholic Union Scholarship. Students who have actively participated in community service are encouraged to apply. The Presidential Scholarship provides five students with full tuition and an additional \$5,000 stipend for room & board, general fees, etc. Qualifications to participate in the competition include a 26 ACT/1240 SAT and a 3.4 GPA.

If you know of any students at your school that you think would fit well into the QU community and/or would be excited to participate in the above scholarship opportunities, please share with them the great qualities we have and encourage them to apply for free at our website. I would love to answer any questions that you or your students may have.

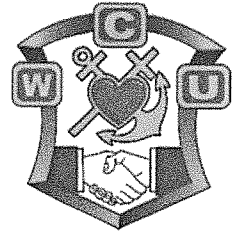

Go Hawks!

The Quincy University Admissions Team
