

Scholarships Available for Incoming Sophomore Students - 2023-24 School Year

Please note: each scholarship listed on this page is offered for sophomore students but is not necessarily offered only to sophomores. Most scholarships are open for students in different grade levels. We put this list together to provide a quick and easy way to see all the scholarships for which sophomores are eligible.

Scholarships are awarded on an annual basis using the criteria indicated by the scholarship donor. Families are required to complete a FACTS Grant & Aid Assessment for all need-based scholarships. Applications/essays/letters of recommendation are only required for a scholarship if indicated. **The deadline for completing the FACTS Grant & Aid Assessment and turning in any scholarship materials (applications, essays, etc.) is April 21, 2023.**

The following scholarships are **need-based** and **require** that you complete the Grant & Aid Assessment in the FACTS system. Some scholarships appearing in this list also require an essay, application, or letter of recommendation. Those scholarships are marked accordingly.
