

**ROUTT CATHOLIC HIGH SCHOOL
SERVICE HOURS**

Being human means being created in God's image, with our gifts to share with others. To offer your unique giftedness in Christian service to others is the call of Jesus. It is being an authentic adult member of the Church.

Service is an opportunity to discover something about you. It is an independent, self motivated offering of your time and talent, a proclamation of the Good News as you witness and live the truth of your faith.

Pope Francis and the U.S. bishops have emphasized that service to others is an integral part of the religious training of students. Routt requires 15 hours of service annually: Ten hours must be applied to the community/civic service, and five hours may be applied to school-or church-related activities.

This program is designed to expand your horizons in ministries that are not school-sponsored. See the Campus Ministry Director for additional information. Service hours may be subjected to approval by the Campus Ministry Director.
